Beyond the Burning Times: A Pagan and Christian in Dialogue Philip Johnson

A fascinating dialogue between a Pagan and a Christian. Gus DiZerega, an American pagan and an academic engages in debate with Philip Johnson, an Australian Christian theologian. The two debate questions such as the nature of spirituality, who or what is deity, how humans relate to the divine, the sacred feminine, gender and sexuality, and the teachings and claims of Jesus. At the end of the book another Pagan writer comments on what Philip Johnson has argued, and another Christian comments on what Gus DiZerega has argued. Paganism is acknowledged as the fastest growing 'religion' in western Europe and this book helps readers to engage with it and with orthodox Christian belief.
