Mere Discipleship: Radical Christianity in a Rebellious World Lee Camp

This substantially revised and expanded edition contains added chapter introductions and summaries, an extensive study guide, and a reading guide.

"Part primer in radical discipleship, part Christian manifesto for our times, *Mere Discipleship* calls believers to a way of life formed by the 'costly grace' of the gospel. The study guide makes this new edition even more accessible and helpful to individuals and congregations. I enthusiastically recommend this book for everyone who is seeking a more faithful and adventurous discipleship."--**Charles L. Campbell**, Columbia Theological Seminary

"A book for our times. It provides an accessible and reliable account of the biblical Christian message, and a vital critique of the cultural captivity and far-reaching disloyalty to Christ that have so frequently disfigured the church's witness in the world since the days of Constantine. In this lucid and immensely useful book, Lee Camp spells out what faithful discipleship requires of all who claim the name of Christ in this, the twilight of Christendom."--**Christopher D. Marshall**, Victoria University of Wellington

"This is a blueprint for what would happen if Jesus's followers actually took him seriously today. The inclusion of a study guide in this new edition makes it an even more valuable resource. Read this book, get others to join you, and then step back and watch the sparks fly!"--**Michael Frost**, coauthor of *The Shaping of Things to Come*

"This is one of those books that you wear out carrying around, marking up, and loaning out. And the crazy thing is this: the church is actually ready to hear Lee Camp's words. He points us towards a Christianity that is worth believing in."--**Shane Claiborne**, author of *The Irresistible Revolution*, coauthor of *Jesus for President*

"With this book Lee Camp helps us to integrate peacemaking perspectives into what it means to be a disciple in an increasingly violent and belligerent world. This book will challenge--and enhance--prevailing views of what it means to truly follow Jesus in the twenty-first century."--**Alan Hirsch**, author of *The Forgotten Ways*

"This book is for those who long for a Christianity that looks like Christ and seeks to witness to God's dream for creation--the kingdom of God."--**Jarrod McKenna**, cofounder of The Peace Tree Community, founder of Empowering Peacemakers in Your Community [EPYC]

"*Mere Discipleship* is the best single book on Christian discipleship I've ever read. Lee Camp insightfully dismantles the Christendom paradigm of Christian living to disclose what being an authentic disciple of Jesus looks like. I couldn't recommend a book more than I recommend this one!"--**Gregory A. Boyd**, author of *The Myth of a Christian Nation*
