Antología de poesía y cuento (Spanish Edition) Varios autores

La presente Antología de poesía y cuento reúne el trabajo de diez escritores chilenos emergentes. En ella, se produce una perfecta coexistencia entre dos géneros tan diferentes como lo es la poesía y el cuento, la cual devela al lector el vertiginoso viaje a través de las palabras. Es una selección centrada fundamentalmente en autores contemporáneos, donde la proliferación de voces hace converger lo interior y lo exterior; lo íntimo y lo urbano; lo patente y lo velado de la experiencia vital de diversos sujetos inmersos en un entorno desenfrenado. Sin duda, es una imperdible oportunidad para conocer a través de estos autores y autoras la producción literaria que surge y se proyecta en nuestro país.
