**My Voice Is My Weapon: Music, Nationalism, and the Poetics of Palestinian Resistance** David A. McDonald

In *My Voice Is My Weapon*, David A. McDonald rethinks the conventional history of the Palestinian crisis through an ethnographic analysis of music and musicians, protest songs, and popular culture. Charting a historical narrative that stretches from the late-Ottoman period through the end of the second Palestinian intifada, McDonald examines the shifting politics of music in its capacity to both reflect and shape fundamental aspects of national identity. Drawing case studies from Palestinian communities in Israel, in exile, and under occupation, McDonald grapples with the theoretical and methodological challenges of tracing "resistance" in the popular imagination, attempting to reveal the nuanced ways in which Palestinians have confronted and opposed the traumas of foreign occupation. The first of its kind, this book offers an in-depth ethnomusicological analysis of the Israeli-Palestinian conflict, contributing a performative perspective to the larger scholarly conversation about one of the world's most contested humanitarian issues.

#### **Guadalupe Hauser:**

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this My Voice Is My Weapon: Music, Nationalism, and the Poetics of Palestinian Resistance can make you sense more interested to read.
