**Of Legends and Grace: The Consortium Chain, Book Three (Volume 3)** Harrington Martin

*At the edge of the world a storm wind blows. The wind carries legendary secrets of an ancient god, and a promise of fate that casts across the globe. The time has come for the Consortium Chain to grab hold of that fate or be lost to the fleeting whispers of history. This window in time will inevitably close.*

*The mysteries of Xarh are deeper than the Soderland Major sands. Where answers rest, tragedy is not far behind. Prepare for the thrilling conclusion to the Consortium Chain trilogy.*

## Reviews of the Consortium Chain:

*"the prose is even pungent and pithy"*

*"the feuding warriors engage in plenty of action-packed battles"*

*"Intriguing storylines, creatures and weapons"*

**-Kirkus Indie Reviews**

*"confusion over whether the good guys are all that good is fueled by their actions after a battle when, as Martin explains, "Revelers picked up appendages that lay around the gates, and children gathered hunks of flesh; these were all standard practices for the embattled people of Banthyk.""*

**-ForeWord Clarion Review**
