## **Make the impossible possible by following God's principles for life**

Bill Wiese had a successful real estate career spanning over thirty-five years through both good and tough economic times. Early in his career, he made the decision to carefully study the Bible and apply God's methods to every move that he made. As a result, he attained success that was unheard of for many other agents, simply because he adhered to God's plan.

In *Recession-Proof Living*, he shares these biblical principles along with true stories of his experiences to demonstrate how anyone can achieve success--spiritually, financially, physically, and corporately by living according to God's economic system.

Not simply a book about how to make money, *Recession-Proof Living* shows you how to live a life that guarantees success God's way. Even if every effort and method you've tried has failed, living by God's standard won't.
