I am in the poppy, said the bee. I am in the nest, said the bird. I am in space, said the planet . . .

From bestselling author and illustrator duo Fani Marceau and Joëlle Jolivet comes an art-immersive experience featuring early concepts and themes for infants, toddlers, and anyone delighted by the wonders of everyday life. Inspired by linocut art techniques, the illustrations offer windows onto ordinary objects and experiences. Open the book, delve into the details, and discover animals, people, and surprises large and small gracing each oversized page in this whimsical book that makes the perfect springboard for storytelling, learning, and dreaming. Plus, this is a fixed-format version of the book, which looks nearly identical to the print version.
