Teaching Spelling: Exploring commonsense strategies and best practices Peter Westwood

Teaching Spelling: Exploring commonsense strategies and best practices equips teachers with the vital knowledge and skills needed to help their students become proficient writers and spellers.

Peter Westwood provides a very clear and concise account of the important skills and processes that underpin accurate spelling, and describes in very practical terms, many evidence-based strategies and methods that teachers can use to help all students become confident, capable and independent spellers. The book also addresses the purposes of various forms of assessment of spelling skills, to guide teaching and planning.

Chapters in this accessible and timely text include:

- the importance of correct spelling
- visual, auditory and cognitive components of spelling ability
- general principles for planning instruction
- proven teaching strategies and methods
- word study as a teaching approach
- formal and informal assessment

At the end of each chapter the author provides a list of online and print resources, thus enabling readers to extend their knowledge in the various topics. The extensive reference list is also an invaluable source of information on recent research and thinking on the topic of spelling instruction.

Teaching Spelling: Exploring commonsense strategies and best practices is an essential resource for all those in teacher education and taking in-service courses.

From reader reviews:

Jeffrey Thibodeaux:

Nowadays reading books become more and more than want or need but also get a life style. This reading habit give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The details you get based on what kind of book you read, if you want get more knowledge just go with education books but if you want truly feel happy read one together with theme for entertaining such as comic or novel. The actual Teaching Spelling: Exploring commonsense strategies and best practices is kind of guide which is giving the reader capricious experience.

Phillip Barker:

The publication untitled Teaching Spelling: Exploring commonsense strategies and best practices is the reserve that recommended to you you just read. You can see the quality of the reserve content that will be shown to an individual. The language that publisher use to explained their ideas are easily to understand. The article author was did a lot of investigation when write the book, and so the information that they share for your requirements is absolutely accurate. You also could possibly get the e-book of Teaching Spelling: Exploring commonsense strategies and best practices from the publisher to make you far more enjoy free time.

Alfred Leahy:

The reason? Because this Teaching Spelling: Exploring commonsense strategies and best practices is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will jolt you with the secret the item inside. Reading this book close to it was fantastic author who else write the book in such amazing way makes the content inside of easier to understand, entertaining way but still convey the meaning fully. So , it is good for you because of not hesitating having this ever again or you going to regret it. This unique book will give you a lot of advantages than the other book have such as help improving your expertise and your critical thinking means. So , still want to hold up having that book? If I ended up you I will go to the guide store hurriedly.

Titus Johnson:

As a university student exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make summary for some publication, they are complained. Just little students that has reading's heart or real their hobby. They just do what the professor want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Teaching Spelling: Exploring commonsense strategies and

best practices can make you sense more interested to read.
