**A Photographer's Guide to Colorado's National Parks and Monuments** Bob Maynard, Cindy Maynard  
Few states in the continental United States offer the range of geography and topography that Colorado does. The variety of scenic locations draw millions of annual visitors, most hoping to document their visit in photographs.

This guide offers aid to photographers who wish to do their own exploring rather than engage the help of a guide. It provides all the information photographers need to be in the right place, at the right time, with the right lens. Each chapter introduces the special features unique to each location, providing in-depth and reader-friendly details on geology, history, and more, to enhance your understanding and add to your sense of wonder. Along with this vital information, photographer Bob Maynard and naturalist Cindy Maynard share their extensive personal experience, entertaining anecdotes, and a selection of Bob's photographs. This guide can help you turn your next visit to Colorado into an adventure in learning.
