Isabel Agüera Espejo-Saavedra

Animación a la lectura con niños (Materiales para educadores) (Spanish Edition) Isabel Agüera Espejo-Saavedra

La presente obra es fruto de una estrategia creativa realizada en el aula con alumnos de ocho años, a fin de fomentar su imaginación y conocimiento. La propuesta consistía en fantasear con personajes de ficción creados por ellos: dibujarlos primero y describirlos después. El protagonista de la novela que está en el núcleo del libro es Ángel Patas Chicas, un personaje de ficción que corresponde a un pequeño disminuido físico en la realidad, que se sintió feliz porque su personaje podía volar, era divertido, querido.
