## Make College Count: A Faithful Guide to Life and Learning Derek Melleby Discover the way to true success at college--and beyond

There's more to college than classes, credits, and a nonstop social life. It's more than getting a degree to improve your job prospects. College is a time where you develop into the person you will be for the rest of your life. *Make College Count* will help you make the most of your time in college. It encourages you to ask the big questions, like

Why am I going to college?  
What kind of person do I want to be?  
How do I want my life to influence others?  
With whom will I surround myself?  
What do I believe?

You want your college years to count. This book shows you how to make that a reality.

"For years I have been looking for the right book to give to Christian high school grads: readable, real, honest, grace-focused, Christ-centered, and practical. Finally, I've found just the ticket--*Make College Count* is that book."--Chap Clark, author of *Hurt: Inside the World of Today's Teenagers*; professor of youth, family, and culture, Fuller Theological Seminary

"Christian college students hear a lot about what to avoid during their college years. So it's refreshing to encounter a book that explains what students should embrace in college. It's clear that Derek Melleby understands the world of today's students."--Joseph M. Stowell, president of Cornerstone University

"*Make College Count* is just right! What Derek Melleby has done is find a way to come alongside someone on the way to college and offer guidance about things that matter most."--Steven Garber, director of The Washington Institute for Faith, Vocation & Culture; author of *The Fabric of Faithfulness*

"*Make College Count* offers an accurate preview of college life and encourages and equips students to thoughtfully make the most of college (and the rest of their lives) by embracing a real and vibrant faith that's not an extracurricular add-on but a foundation for all of life. This could be the most important book students read during their college years."--Walt Mueller, president, Center for Parent/Youth Understanding
