## **Sanctuary (MISSING)** Meg Cabot

Sixteen-year-old Jessica Mastriani knew she wasn't going to be able to hide her psychic powers from the U.S. government -- interested in utilizing her special skills for their own devices -- forever. But she never thought that she and Cyrus Krantz, the special agent brought in to "convince" Jess to join his elite team of "specially-gifted" crime solvers, would turn out to have something in common.

But when a local boy's disappearance is attributed to a backwoods militai group, Jess's goal -- to find the missing child -- and Dr. Krantz's -- to stop a group of madmen before they kill again -- turn out to be one and the same. Suddenly Jess finds herself working with one enemy in order to stop a far worse one. In an atmosphere of hate and fear, can Jess and Dr. Krantz -- not to mention Jess's would-be boyfriend Rob -- work together to unite a community and save a life...without losing their own?
