A Personal Guide to Walking with God John Eldredge

We have a lot to sort through on any given day. A whole lot to navigate over the course of a week or a month. How am I going to come up with enough money to do the things I want to do? And what about love—is this the one? Why can't I overcome those "habits" that look more and more like addictions? Am I at the right church? What is God doing in my life?

All day long we are making choices. How do we know what to do?

We have two options. We can trudge through on our own, doing our best to figure it all out. Or, we can walk with God. As in, learn to hear his voice. Really. He offers to speak to us and guide us. Every day. It is an incredible offer. To accept that offer is to enter into an adventure filled with joy and risk, transformation and breakthrough. And more clarity than we ever thought possible.

Now in *A Personal Guide to Walking with God*, you can get started in your personal journey to making God a part of every moment of your day. Complete with discussion questions and personal journaling space, John and Craig will lead you deeper into communion with God. Let the adventure begin.
