CCCS Selected Working Papers: Volume 2

This collection of classic essays focuses on the theoretical frameworks that informed the work of the Centre for Contemporary Cultural Studies at the University of Birmingham, the methodologies and working practices that the Centre developed for conducting academic research and examples of the studies carried out under the auspices of the Centre.

This volume is split into seven thematic sections that are introduced by key academics working in the field of cultural studies, and includes a preface by eminent scholar, Stuart Hall. The thematic sections are:

- Literature and Society
- Popular Culture and Youth Subculture
- Media
- Women's Studies and Feminism
- Race
- History
- Education and Work.
