How the Church Can Respond to the Rising Epidemic of a Fatherless Generation

The number of children being raised without a father or mother has hit epic proportions the world over. The physical and emotional consequences of this are staggering; the spiritual ramifications, devastating. Billy Wilson, pastor and TV host, knows that believers are uniquely equipped to help these young people, to bring them healing and ultimate reconciliation.

Through sharing his own story of abandonment and wounding, Wilson shows that when this desperate cry for a father meets the cry of the Father, blessings and revival will be unleashed into all generations. With biblical examples and keen insight, he reveals how older and younger generations can come together, reclaim what was lost, and turn the pain of parental wounding into a place of supernatural intimacy and ministry to others.
