**Le Mouvement Arts & Crafts (French Edition)** Oscar Lovell Triggs

« N'ayez rien dans vos maisons que vous ne considérez pas utile ou croyez être beau. »

Cette citation de William Morris pourrait résumer à elle seule les Arts & Crafts, mouvement unique qui, en Angleterre, provoqua une véritable réforme des arts appliqués. Fondés par John Ruskin, puis véritablement mis en œuvre par William Morris, les Arts & Crafts véhiculèrent des idées révolutionnaires dans l'Angleterre victorienne. Au milieu de l'ère industrielle « sans âme » qui standardisait les objets, les Arts & Crafts proposèrent de remettre l'esthétique au sein de la production. L'artisanat et le design devinrent ainsi le cœur de cette idéologie nouvelle. Influençant de nombreux domaines à travers le monde, les tendances Arts & Crafts se traduisirent essentiellement dans le design, l'architecture ou la peinture.
