## **Porn Nation Discussion Guide** Michael Leahy

It's a \$100 billion a year industry worldwide. Even bigger when you consider the fact that porn is now the norm in our mainstream media. But have you ever stopped to think about why, when it comes to porn, we just can't seem to get enough? And are we certain this supposedly "cheap form of harmless entertainment" isn't changing the way we see ourselves and others?

Enter Michael Leahy, a guy who spent over 30 years as a recreational user of pornography. That is until he discovered what many experts refer to as "the crack cocaine of sexual addiction"- Internet porn. What happened next would change everything, not just for Michael and his family, but for all of us living in this Porn Nation.

This **discussion guide** is designed for small groups and youth groups to get people thinking and talking about the effects of pornography in their lives. It can accompany either *Porn Nation: Conquering America's #1 Addiction* or *Porn Nation: Student Edition*.
