The mind forgets, but the body remembers. *Everything.*

*Grimm's Circle, Book 4*

One look at Jack Wallace and Perci knows he's going to be trouble. Even surrounded by soul stealers, he's a one-man wrecking crew. What does he need Grimm training for? He's already hell on earth, a warrior bent on destruction. And something...*more.*

He's too strong and fast to be a mere mortal. Even covered in blood, he makes her forget she's only here to do a job and get out. It's twisted. Sick. She hasn't felt this alive in three centuries.

Born with a natural talent for killing unnatural things, Jack has always known things he shouldn't. The fact that Perci is one of *them* glows all over her. Giving him an unholy urge to see just how far he can push her before *don't touch me* melts into *touch me there.*

When they come together, it isn't careful or cautious. It's heaven and hell, exposing all their raw and wounded places to healing heat, resurrecting memories of a destined love from the distant past. But the evil that destroyed them once before has tracked them here, threatening their second and last chance at forever. Demanding a sacrifice no one—Grimm or human—should ever be asked to make...

Warning: Dark, sexy, a little bit scary—this fairy tale is only for grownups and is best saved for bedtime.
