When I agreed to be Zach Swift's secretary, I was expecting demanding and high-flying—not seriously gorgeous and generous! I usually don't like working in an office, because of how the accident affected my memory, but with Zach it feels different. And now he's asked me to go on a business trip with him!

Nine-to-five is hard enough for me to hide my feelings, and Zach's bound to guess that I'm not as perfect as he seems to think I am. And he's also mentioned he has a proposal for me. I'm meeting him for dinner—tonight!

Wish me luck!
