In *Not Less Than Everything*, Catherine Wolff gathers the world's best contemporary Catholic writers, including Alice McDermott, Tobias Wolff, and Ann Patchett, to share their thoughts on brave men and women such as Joan of Arc and Oscar Romero—heroes who've challenged the dogma while holding steadfastly to their faith.

In each of these thought-provoking essays, these greatly respected writers and thinkers engage personally with his or her favorite heretic, exploring the tensions that arise from conflicting demands of conscience and authority, of inspiration and orthodoxy, and from the challenge of living one's faith in the real world.
