**Serviço social e arte: juventudes e direitos humanos em cena (Portuguese Edition)** Giovane Antonio Scherer

A autor apresenta, além de um denso debate sobre a realidade da juventude brasileira e o diálogo com os direitos humanos, um estudo efetivado com primor e criatividade, fundamentado no referencial dialético crítico. Além do vigor teórico e das contribuições significativas aportadas sobre o tema das juventudes e de seus direitos, mostra a potencialidade do uso da arte para a construção do conhecimento e como estratégias mediadoras de reflexões. Trata-se de uma leitura que, sem dúvida, encantará pela leveza e densidade, pela articulação entre razão e sensibilidade no trato de um tema tão duro, cujo desvendamento e enfrentamento são absolutamente necessários.
