Nine gods ruled the world, until the ultimate betrayal resulted in their destruction. Now, the world is dying and only by restoring the Lost Gods can it be saved.

In the island nation of Kundou, a prince condemned to a dark fate is determined to use it to set free the power his family has long kept enslaved. The fiery kingdom of Pozhar has worked for centuries to forever destroy the god who once tried to kill them, but others are determined to see the last remaining pieces never reach the sacrificial altar for much more dangerous reasons...

In Piedre, zealous cults are determined to either kill or abuse the notorious Basilisk Prince, mortal reincarnation of the lost god of death... Verde, the only country to still love their gods, are preparing yet again to try and restore them in a ceremony that instead always ends in violence and tragedy... And far away in Schatten, sealed from the rest of the world by a dark shadow, the long banned powers of chaos begin to stir...
