The Watchmen John Altman

In a CIA safe house, a reluctant interrogator and his subject find that they are the next targets on a ruthless assassin's hit list

Psychiatrist Louis Finney is still haunted by nightmares stemming from the work in mind control and psychological conditioning he helped to pioneer for the US government years ago. But when he is asked by his dying mentor to help with the questioning of Ali Zattout, an al-Qaeda operative, Finney finds he cannot refuse.

Charismatic, intelligent, and unexpectedly cooperative, Zattout possesses information his masters in the Middle East cannot allow him to reveal. As Finney tries to determine if the terrorist is telling the truth or spinning a web of lies, a relentless killer closes in on the secret location where the two men are trapped together. Too late, Finney realizes that he is a pawn in a conspiracy whose dimensions stretch deep into the corridors of power.

A provocative suspense story that peers into the dark corners of the war on terror, John Altman's *The Watchmen* depicts the murky world of twenty-first-century espionage with thrilling style and fascinating psychological depth.

From reader reviews:

Luis Herrick:

As people who live in often the modest era should be change about what going on or information even knowledge to make these individuals keep up with the era that is certainly always change and move forward. Some of you maybe may update themselves by examining books. It is a good choice for you personally but the problems coming to anyone is you don't know what one you should start with. This The Watchmen is our recommendation to help you keep up with the world. Why, because book serves what you want and want in this era.

Leif Etter:

Playing with family in the park, coming to see the sea world or hanging out with pals is thing that usually you may have done when you have spare time, and then why you don't try point that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love The Watchmen, it is possible to enjoy both. It is very good combination right, you still want to miss it? What kind of hangout type is it? Oh seriously its mind hangout men. What? Still don't buy it, oh come on its named reading friends.

Daniel Engle:

That guide can make you to feel relax. This particular book The Watchmen was bright colored and of course has pictures on there. As we know that book The Watchmen has many kinds or genre. Start from kids until teenagers. For example Naruto or Investigation company Conan you can read and feel that you are the character on there. Therefore not at all of book tend to be make you bored, any it offers up you feel happy, fun and rest. Try to choose the best book in your case and try to like reading that.

Teresa Riggs:

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some reserve, they are complained. Just tiny students that has reading's internal or real their passion. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading really. Any students feel that examining is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this The Watchmen can make you experience more interested to read.
