## **Educación financiera (Spanish Edition) Alberto Chan**

En nuestra sociedad apenas existe la educación financiera. La mayoría crecemos con la idea de que en la época adulta será suficiente con tener conocimientos académicos para encontrar un empleo estable. Pero ¿de verdad es esto suficiente? Actualmente, a los jóvenes se les brinda la mejor formación posible, pero hay también un índice alto de paro juvenil y los salarios están cada vez menos equiparados con la titulación obtenida.

Este libro nos abre una puerta a la educación financiera. Una educación que nos permitirá tener habilidades con el manejo del dinero, obtener ingresos distintos a los del salario, crear negocios sin un capital inicial, conocer las mejores estrategias de ahorro y de gasto para nuestra economía doméstica, diferenciar los tipos de deuda, saber con certeza cuáles son las tarjetas de pago más convenientes. El autor nos explica cuáles son las reglas del mundo del dinero, la importancia del ahorro y también de la inversión. En definitiva, este libro brinda al lector las herramientas necesarias para conseguir una buena educación financiera, que sirva también para transmitirla a nuestros hijos.
