RamG Vallath has everything going for him. He has studied at IIT, seen 200 per cent jumps in his salary and become one of the youngest chief operating officers of a telecom company in India. When he steps into the role of a director at a major international computer hardware firm, he thinks life is set.

But life is soon about to come crashing down on him. He is diagnosed with a rare autoimmune disorder that weakens his muscles. Mundane tasks like buttoning up his shirt, climbing down steps and typing on a keyboard become excruciatingly difficult. To make things worse, he loses his job at a time when his annual hospitalization bill has steadily climbed to Rs 20 lakh.

But even as the chips are down and hope starts to fade, RamG decides not to give up. He becomes the cheerleader at home and outside, spreading positivity wherever he goes and choosing to meet his fate with a brave face.

From Ouch to Oops is the inspirational true story of RamG's life and holds lessons not just for people with disabilities but anyone with a mental demon. It will teach you grit and courage, make you laugh, and show how when the going gets tough, the tough get humorous. You will put it down knowing that RamG is the most positive person you have ever met.
