Los grandes problemas de México. Seguridad nacional y seguridad interior: Tomo XV (Spanish Edition) Arturo Alvarado, Mónica Serrano

A setenta años de su fundación, El Colegio de México publica esta serie de dieciséis volúmenes, titulada Los grandes problemas de México, en la que se analizan los mayores retos de la realidad mexicana contemporánea, con el fin de definir los desafíos que enfrentamos en el siglo XXI y proponer algunas posibles respuestas y estrategias para resolver nuestros problemas como nación. Los diez capítulos que integran el volumen de Seguridad nacional y seguridad interior presentan las principales posiciones e interpretaciones de los problemas que enfrenta el país en materia de derechos humanos, democratización, Estado de derecho, políticas de seguridad y militarización. En ellos se examinan críticamente las políticas seguidas en los últimos quince años y se pone de manifiesto la necesidad de repensar las nociones de seguridad nación y seguridad interior.
