Planting the Seeds of Algebra, 3-5: Explorations for the Upper Elementary Grades Monica M. Neagoy
Give your students a foundation of algebra for math success – now and in the future!

Students and teachers must become friendly with algebraic foundations, as they have increasingly become the gateway to careers in the STEM fields. Monica Neagoy empowers teachers to embrace algebra and connect it to higher math concepts, tuning you and your students to algebraic thinking, reasoning, and doing. You'll discover:

- Four explorations to help you weave key algebraic ideas into everyday mathematics
- Step-by-step lessons from real classrooms that will guide you in teaching concepts and in establishing their relevance and applicability
- New methods that break down difficult algebraic concepts and build a critical foundation for higher math
