Nearly half a century ago the author of this book, at the age of eighteen years, migrated west of the Mississippi and began his frontier life as a pioneer surveyor. This volume is compiled from his "Early History of Dakota Territory," published in 1866, to which are here added other pioneer sketches of early adventures, Indian wars, overland journeys, and pen pictures of pioneer law makers in the legislature and in congress.

Nisyros Publishers has a proud history of publishing high quality and rare titles.
