The Stone Diaries: (Penguin Classics Deluxe Edition) Carol Shields

In celebration of the fifteenth anniversary of its original publication, Carol Shields's Pulitzer Prize-winning novel is now available in a Penguin Classics Deluxe Edition

One of the most successful and acclaimed novels of our time, this fictionalized autobiography of Daisy Goodwill Flett is a subtle but affecting portrait of an everywoman reflecting on an unconventional life. What transforms this seemingly ordinary tale is the richness of Daisy's vividly described inner life--from her earliest memories of her adoptive mother to her awareness of impending death.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

From the Trade Paperback edition.
