A New Era in School Counseling: A Practical Guide Rita Schellenberg

The New Era of School Counseling: A Practical Guide, is much like its predecessor *The New School Counselor: Strategies for Universal Academic Achievement*. Also like its predecessor, this text uses a how-to-do-it approach with real world applications that equip school counselors with the knowledge and strategies grounded in ASCA National Model (ASCA, 2012) and deemed essential by the Council for Accreditation of Counseling and Related Educational Programs (CACREP, 2009). The accompanying CD-ROM provides school counselors with revised action plans and results report templates and additional forms that meet ethical and legal practices to meet the rigorous demands and highest standards of practice. A glossary of frequently used terminology and acronyms in school settings are new to this edition.
