## Ancient Highway: A Novel Bret Lott

From the bestselling author of *Jewel* and *The Difference Between Women and Men* comes a haunting novel of home, family, and the pursuit of lost dreams. *Ancient Highway* brilliantly weaves together the hopes and regrets of three characters from three generations as they reconcile who they are and who they might have been.

In 1925, a fourteen-year-old boy leaves his family's farm and hops a boxcar in a dusty Texas field, heading for Hollywood and a life in the "flickers."

In 1947, a ten-year-old girl aches for a real home with a real family in a wide-open space, far from the crowded Los Angeles streets where her handsome cowboy father chases stardom and her mother holds a secret.

In 1980, a young man just out of the Navy visits his elderly yet colorful grandparents in Los Angeles, eager to uncover his family's silent history.

For the Holmeses, a longing for something else—another place, a second chance—seems to run in the family DNA. From Earl's journey west toward Hollywood glory, to his daughter Joan's wish for a normal existence away from the bright lights, to his grandson Brad's yearning for truth, this deep-rooted desire sustains them, no matter how much the goal eludes them. But ultimately, in each generation, a family crisis forces a turning away from the horizon and the acceptance of a reality that is by turns harsh and healing.

Inspired by stories of his own family, Bret Lott beautifully renders the lives of ordinary people with extraordinary faith in a mesmerizing and finely wrought tale of love and letting go.

*From the Hardcover edition.*
