Historia de una maestra (Spanish Edition) Josefina Aldecoa

Una narración hecha desde el recuerdo, llena de verdad y de sentimientos auténticos.

En 1923 Gabriela recoge su título de maestra. Es el comienzo de un sueño que la llevará a trabajar en varias escuelas rurales en España y en Guinea Ecuatorial. *Historia de una maestra* es la narración, hecha desde la memoria, de la vida de Gabriela durante los años veinte y hasta el comienzo de la guerra civil.

Con el trasfondo de la República, la revolución de Octubre y la guerra, esta novela rememora aquella época de pobreza, ignorancia y opresión, y muestra el importante papel de la enseñanza y de aquellos que lucharon por educar un país.

Contada desde la verdad del recuerdo, con sentimientos que apenas nos atrevemos a reconocer y desde una progresiva toma de conciencia, Josefina Aldecoa nos abre un camino a la esperanza y al idealismo.
