Danger. Daring. Second Chances.

Riley Hughes never expected a solo hike through the wilderness to be her last, but an enormous wildfire leaves her running for her life. Luckily for her, a strong, handsome firefighter sweeps in at the last moment to save her. He's sweet, sexy, and devoted—everything she could ask for in a man. But when he reveals that he's hiding a bear within him, Riley has to decide whether starting over with someone so different from her is worth the risk.

Black bear shifter Hunter Wilson is fearless. He doesn't think twice about jumping from a helicopter to save a woman in trouble—a woman whom he now believes is his fated lifemate. Hunter has a chance to make Riley's lifelong dream of running her own bakery come true, but first he'll have to convince her that a human and a bear can make love work.

Read this adventurous shifter romance today to discover whether Hunter can prove to Riley that he has what it takes to change both of their lives.
