Eastside Indianapolis: A Brief History Julie Young

In its early days, Indianapolis was designed to be a city of only one square mile, but as settlers flocked to the Circle City, a steady beat of progress made its way across the Eastside. Through their dedication to maintaining the character of neighborhoods like Woodruff Place, Fountain Square and Irvington, Eastsiders have banded together time and again to preserve the memories of landmarks like the Rivoli Theatre and Al Green's. Julie Young, a lifelong resident of the Eastside, celebrates one of the most culturally diverse areas of Indianapolis as she illuminates the strength and determination that would make any resident proud to call the Eastside home.
