First in the new Lake Sullivan Romance series.

Lake Sullivan, Vermont, has plenty of attractions for movie star Ashley Carlsen—pristine nature, local color, and a handyman with a bad reputation for all the right reasons . . .

Ashley's movie-star life is starting to feel like an act. She's desperate to be taken seriously, and after her boyfriend's affair with a costar, she's ready for a new scene. A vacation at Lake Sullivan with Hollywood power player Jasmine McArthur might be the answer to all her problems. And according to Jasmine, all Ashley needs is a hot summer fling with local stud Josh Sullivan.

After one look at the handsome handyman, Ashley has a hard time saying no. But Josh is tired of playing boy toy for rich women like Jasmine and her friends. As determined as he is to stay away, he can't shake the feeling that Ashley is different—and he can't help noticing her auburn hair and dancing green eyes. But when their budding romance hits the tabloids, will it be another Hollywood scandal, or happily ever after?

From the Paperback edition.
