The story of Cinderella as you've never heard it before ...

A girl whose fortunes have plummeted from wealthy aristocrat to servant-girl. A magic hazel twig. A prince. A desperate escape from danger.

This is not the story of a girl whose fairy godmother arranges her future for her. This is the story of Selena, who will take charge of her own destiny, and learn that her magic is not to be feared but celebrated.

Pure fairytale - with all the romance, magic and adventure that goes along with it.
