The best-selling author has made mistakes in the past. We all do. However, the author has learned from them and become better as a result. Avoid these mistakes and discover what he's developed.

**You'll learn how to...**

## **Quickly and easily come up with a book idea that has a very high chance of being a best-seller**

This is where a lot of authors go wrong. One of my books became a best-seller when I did it right. It's what question you answer.

I call it 'the magic question'. It makes the book idea pop out in the open.

There's a lot of competition on Amazon. You'll discover the way to beat the competition.

## **Have a title that will get the most sales for your book**

The title is responsible for the sale 70% of the time. Books sell on the title alone. The title needs to say the right thing and have the right structure to be a best-seller.

## **Get the book content fast**

The strategies that get the content that people want fast.

You'll also learn how to use the information you find.

An easy way to structure it for your book. Including a short-cut to outlining your book.

## **Write a quality book very fast**

The author's own easy step-by-step way of writing a book.

Find out what reason a lot of authors fail and the easiest way to correct this.

You'll also learn the way to format your book to look good on Kindle.

## **How to sell your book**

How to make your book sell using your title, cover, and Amazon description.

The pricing system that get's your book up the sales ladder fast.

Also, find out the author's 'more books' sales technique.

## **Promote and get your Kindle book seen by the most buyers**

How to get your book seen by the most people.

The best way to get your book to appear at the top of search results.

The strategy for getting your book on page one of your category best-seller list.

See a full list of what you'll learn by clicking 'look inside' to view the contents.
