Them Bones: A Mystery from the Mississippi Delta (Sarah Booth Delaney Mystery Book 1) Carolyn Haines

If only I hadn't kidnapped the dog...but the ransom paid the mortgage....Now I seem to be a private eye....I shouldn't have listened to that ghost....

Meet Sarah Booth Delaney...an unconventional Southern belle whose knack for uncovering the truth is about to make her the hottest detective in Zinnia, Mississippi...if it doesn't make her the deadliest.

No self-respecting lady would allow herself to end up in Sarah Booth's situation. Unwed, unemployed, and over thirty, she's flat broke and about to lose the family plantation. Not to mention being haunted by the ghost of her great-great-grandmother's nanny, who never misses an opportunity to remind her of her sorry state--or to suggest a plan of action, like ransoming her friend's prize pooch to raise some cash.

But soon Sarah Booth's walk on the criminal side leads her deeper into unladylike territory, and she's hired to solve a murder. Did gorgeous, landed Hamilton Garrett V really kill his mother twenty years ago? And if so, what is Sarah Booth doing falling for this possible murderer? When she asks one too many questions and a new corpse turns up, she is suddenly a suspect herself...and Sarah Booth finds that digging up the bones of the past could leave her rolling over in her grave.

From the Paperback edition.
