Fellowship among believers is more than just talking over coffee after church service. Biblical fellowship in New Testament times—or *koinonia*—had rich and varied meanings, including covenant relationship, partnership in the gospel, communion with God and others, and the sharing of earthly possessions. In *True Community*, best-selling author Jerry Bridges guides you through *koinonia* and its implications for today's church. With discussion questions at the end of each chapter, this book will help you dig deeper into what Christian community in the twenty-first century should look like. You will come away with a new appreciation for fellowship, the church, and what God intended the body of Christ to be.
