Robert Broadwater

Civil War Special Forces: The Elite and Distinct Fighting Units of the Union and Confederate Armies

Robert Broadwater

This timely addition to Civil War history shares the stories of 25 unique military organizations, showing how past and future collided in the first modern war.

- Covers all of the varied and unique units that emerged during the Civil War, including machine gunners, submariners, and others made possible by advances related to the Industrial Revolution
- Examines what happened when archaic military units met new and innovative units that saw their first service in this game-changing conflict
- Shares the histories of African American and Native American units and of women and children who fought
- Connects past and future and provides insights into how the application of new technologies during the Civil War impacted warfare for future generations
