An explosive, true-life southern gothic story, *Murder in the Bayou* chronicles the twists and turns of a high-stakes investigation into the murders of eight women in a troubled Louisiana parish.

Between 2005 and 2009, the bodies of eight women were discovered around the murky canals and crawfish ponds of Jennings, Louisiana, a bayou town of 10,000 in the heart of the Jefferson Davis parish. Local law enforcement officials were quick to pursue a serial killer theory, opening a floodgate of media coverage—from CNN to *The New York Times*. Collectively the victims became known as the “Jeff Davis 8,” and their lives, their deaths, and the ongoing investigation reveals a small southern community’s most closely guarded secrets.

As Ethan Brown suggests, these homicides were not the work of a single serial killer, but the violent fallout of Jennings’ brutal sex and drug trade, a backwoods underworld hidden in plain sight. Mixing muckraking research and immersive journalism over the course of a five-year investigation, Ethan Brown reviewed thousands of pages of previously unseen homicide files to determine what happened during each victim’s final hours. Epic in scope and intensely suspenseful, *Murder in the Bayou* is the story of an American town buckling under the dark forces of poverty, race, and class division—and a lightning rod for justice for the daughters it lost.
