Prey (The Shifters Book 4) Rachel Vincent

Sometimes playing cat and mouse is no game...

Play? *Right*. My Pride is under fire from all sides, my father's authority is in question and my lover is in exile. Which means I haven't laid eyes on Marc's gorgeous face in months. And with a new mother *and* an I-know-everything teenager under my protection, I don't exactly have time to fantasize about ever seeing him again.

Then our long-awaited reunion is ruined by a vicious ambush by strays. Now our group is under attack, Marc is missing and I will need every bit of skill and smarts to keep my family from being torn apart. Forever.
