**Days in the History of Silence** Merethe Lindstrom

**From the acclaimed Nordic Council Literature Prize winner, a story that reveals the devastating effects of mistaking silence for peace and feeling shame for inevitable circumstances**

Eva and Simon have spent most of their adult lives together. He is a physician and she is a teacher, and they have three grown daughters and a comfortable home. Yet what binds them together isn't only affection and solidarity but also the painful facts of their respective histories, which they keep hidden even from their own children. But after the abrupt dismissal of their housekeeper and Simon's increasing withdrawal into himself, the past can no longer be repressed.

Lindstrøm has crafted a masterpiece about the grave mistakes we make when we misjudge the legacy of war, common prejudices, and our own strategies of survival.

Reading addiction all over the world can be said as the way for people to know world much better then how they react toward the world. It can't be explained constantly that reading routine only for the geeky particular person but for all of you who wants to end up being success person. So , for all you who want to start looking at as your good habit, it is possible to pick Days in the History of Silence become your personal starter.

#### **Betty Jordan:**

As a university student exactly feel bored to reading. If their teacher requested them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's soul or real their interest. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that examining is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Days in the History of Silence can make you sense more interested to read.
