## **Economías solidarias en América Latina (Spanish Edition)** José Guillermo Díaz Muñoz

A lo largo de todo el mundo se multiplican los casos micro y macro de economía solidaria. Son experiencias que surgen “desde abajo”, empujadas por los “excluidos” por el sistema, como una forma de resistencia a los excesos del modelo capitalista y que hacen patente que otro modo de hacer las cosas y otra economía son posibles, en los que el bienestar de la persona va íntimamente ligado al de su comunidad, y todos colaboran para ello.

El autor aborda el desarrollo de la economía solidaria en América Latina a través de seis casos microrregionales en cuatro diferentes países: México, Brasil, Argentina y Bolivia. Se incluyen experiencias indígenas, campesinas y de trabajadores autogestionados.

Este análisis aporta una mirada fresca y diversa para comprender la complejidad de las prácticas emergentes en la región, con sus alcances y límites, sus contradicciones y complementariedades, su multidimensionalidad, como parte de una auto–eco–organización que se desenvuelve contra viento y marea en una incertidumbre expuesta.

Todo ello convierte a este libro en una referencia obligada para estudiantes, profesores e investigadores de economía, así como para interesados en desarrollar experiencias en la materia y funcionarios públicos que busquen fomentarlas y apoyarlas.

**From reader reviews:**

**Todd Grossi:**

Do you have favorite book? Should you have, what is your favorite's book? Book is very important thing for us to learn everything in the world. Each book has different aim or even goal; it means that e-book has different type. Some people feel enjoy to spend their the perfect time to read a book. They may be reading whatever they take because their hobby is actually reading a book. Think about the person who don't like reading through a book? Sometime, man feel need book if they found difficult problem or exercise. Well, probably you will want this Economías solidarias en América Latina (Spanish Edition).

**Melissa Jackson:**

The book Economías solidarias en América Latina (Spanish Edition) can give more knowledge and also the precise product information about everything you want. Why must we leave a good thing like a book Economías solidarias en América Latina (Spanish Edition)? Some of you have a different opinion about book. But one aim that book can give many facts for us. It is absolutely correct. Right now, try to closer with your book. Knowledge or info that you take for that, you could give for each other; it is possible to share all of these. Book Economías solidarias en América Latina (Spanish Edition) has simple shape however, you know: it has great and large function for you. You can seem the enormous world by wide open and read a e-book. So it is very wonderful.

**Ruth Vigue:**

That publication can make you to feel relax. This book Economías solidarias en América Latina (Spanish Edition) was bright colored and of course has pictures on there. As we know that book Economías solidarias en América Latina (Spanish Edition) has many kinds or style. Start from kids until teens. For example Naruto or Detective Conan you can read and believe you are the character on there. Therefore , not at all of book are generally make you bored, any it offers up you feel happy, fun and rest. Try to choose the best book to suit your needs and try to like reading which.

**Lynn Bailey:**

As a student exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just little students that has reading's soul or real their hobby. They just do what the professor want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Economías solidarias en América Latina (Spanish Edition) can make you really feel more interested to read.
