Her knight in the E.R.

China Seabury needs a host for her latest charity event to raise awareness of the dangers of teen driving—something that is very close to her heart. It looks as if she's going to have to grit her teeth and ask for help from the Los Angeles E.R. Department's infamous playboy, Dr. Ric Morell.

Ric is delighted when China asks for his help—now he has the chance to use his easy charm to persuade the one woman in the E.R. who *hasn't* fallen at his feet to give him a second look. Ric knows China is scared to let go of her heart, but he is determined to earn her trust—in fact he's prepared to come to her rescue in more ways than she could ever have imagined!
