## International Encyclopedia of Organization Studies

The **International Encyclopedia of Organization Studies** is the definitive description of the field, spanning individual, organizational, societal, and cultural perspective in a cross-disciplinary manner. It is the premier reference tool for students, educators, scholars, and practitioners to gather knowledge about a range of important topics from the unique perspective of organization studies with extensive international representation. The **Encyclopedia** is thoroughly cross-referenced, and entries are based around a series of broad themes. Editors Stewart R. Clegg and James R. Bailey bring together a team of international contributors from the fields of management, psychology, sociology, communications, education, political science, public administration, anthropology, law, and other related areas.
