## **Irish Black (Spanish Edition)** José María Gil Cruces

Cuando en 1588 un puñado de valientes españoles quedó encallado en Irlanda a la buena de Dios, por obra y gracia de una feroz tormenta, olvidados de los Tercios y de la Monarquía Imperial, la Invencible Armada nunca llegó a echarlos en falta. Pero nada ni nadie podía suponer que al cabo de los siglos, los descendientes de estos hispanos y de aquellas irish, llegarían a gobernar la Isla Verde y se convertirían en árbitros de una Europa que se hallaba en la antesala de la II Guerra Mundial.

Irish Black pone en escena la preparación de la Operación Catalina, intento fallido de la Alemania de Hitler de invadir Gran Bretaña, con ayuda irlandesa, como parte imprescindible del dominio de Europa.

Junto a personajes históricos, como el Premier irlandés, Éamon de Valera o el Jefe del Espionaje Militar Alemán, el todavía Vicealmirante Canaris, el autor de esta novela histórica recrea la lucha por el control de la Información de los distintos servicios de Inteligencia Europeos, representada por un simple agente del G2 irlandés, Ernesto Safeland (Ernesto Salvatierra), quien tratará de poner en jaque a Agencias tan reputadas como el MI5 inglés, el Abwehr alemán o el Deuxième Bureau francés.
