***The Little Wire Hanger in the Closet*** takes you on a historic journey, teaching the children a little about how wire hangers evolved. The storyline also brings the spotlight to the little scrawny one that is less pleasing to the eye than most of those around him. Yet, he learns that it's okay to stand up and believe in yourself even though the others talk about him, make fun of him and bully him because they think they are better than him.

***The Little Wire Hanger in the Closet*** is full of great examples that will help every parent, grandparent, or teacher explain the meanness of bullying and show children the benefits of believing in their own self-worth.
