Close to Home Exposed: A Close to Home Collection John McPherson

Start with an everyday occurrence, add several helpings of absurdity, a few cups of silliness, and a dash of sickness and you get *Close to Home*. The goofy people and brilliant humor of this single-panel strip have put smiles on the faces of readers. This kooky collection, *Close to Home Exposed*, captures the hilarity of some of its best cartoon panels. As the comic's name suggests, *Close to Home* provides humor that's comfortable and familiar; yet the strip also has a palpable element of danger or nonsense. Topics vary widely, from health care and parenting to car repairs and shopping. But whether it's addressing dating or death--or just as likely, dating and death--*Close to Home* always delivers the off-center laughs its readers have come to expect.

"Close to Home is always a scream, and I love the goofy people that you draw. Truth is, I work with a lot of these folks." --Tom D.

"Where do you come up with these comics! They are totally stupendous and are a big part of my stupid and nauseating life. You're the best!" --Sleepless in New York

"Every day you make me laugh!! THANK YOU! THANK YOU! THANK YOU!" --An Online Fan

From reader reviews:

Bernard McLaren:

This book untitled Close to Home Exposed: A Close to Home Collection to be one of several books which best seller in this year, honestly, that is because when you read this guide you can get a lot of benefit on it. You will easily to buy that book in the book store or you can order it by means of online. The publisher in this book sells the e-book too. It makes you easier to read this book, as you can read this book in your Touch screen phone. So there is no reason for you to past this reserve from your list.

Willard Sarvis:

Reading a book tends to be new life style in this particular era globalization. With reading you can get a lot of information that can give you benefit in your life. Together with book everyone in this world may share their idea. Guides can also inspire a lot of people. A lot of author can inspire their own reader with their story or perhaps their experience. Not only the storyplot that share in the ebooks. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors these days always try to improve their proficiency in writing, they also doing some analysis before they write to their book. One of them is this Close to Home Exposed: A Close to Home Collection.

Kathleen Hernandez:

As a university student exactly feel bored to reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just small students that has reading's soul or real their passion. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Close to Home Exposed: A Close to Home Collection can make you really feel more interested to read.

Cheryl Edgerly:

Reading a guide make you to get more knowledge from it. You can take knowledge and information from your book. Book is prepared or printed or highlighted from each source that will filled update of news. In this particular modern era like now, many ways to get information are available for a person. From media social including newspaper, magazines, science book, encyclopedia, reference book, story and comic. You can add your knowledge by that book. Are you hip to spend your spare time to spread out your book? Or just trying to find the Close to Home Exposed: A Close to Home Collection when you desired it?
