Farm Livestock - With Information on Cattle, Sheep, Pigs and Horses V. C. Fishwick

This text contains a detailed treatise on the rearing and maintenance of farm livestock, with particular focus on cattle, sheep, pigs, and horses. A great book sure to appeal to existing and prospective farmers alike, this antique book is of timeless value and is not to be missed by those with an interest in the subject. Many old books such as this are increasingly hard to come by and expensive, and we hope that this republication will offer continued accessibility to this text for those interested. We are proud to republish Farm Livestock now complete with a new introduction to the subject on maintaining farm animals.
